Dawson Creek is closer to Kiss 5 More Weeks of Voting Left – Bring KISS to Dawson Creek

Dawson Creek, BC: Peace Region residents have been persistent and supportive from the beginning, in efforts to bring legendary rockers KISS to the EnCana Events Centre in Dawson Creek. Dawson Creek is ranked in 26th place and started in 127th place a few months back.

We're not out of the woods just yet! Kissonline.com announced yesterday, that hungry KISS fans have a long 5 weeks to go, before voting will end, and winning cities will be announced. Dawson Creek will have until June 30th to "demand" KISS to play at the EnCana Events Centre; voting takes place at eventful.com/kiss.

"We're so very close to achieving what we all set out to do but we're not out of the woods yet! Everyone has done a remarkable job of supporting and responding to KISS' challenge, but now's the time for all of the Peace Region to dig in and bring it home. Voting takes no time at all and it could mean so much too so many. If you haven't voted yet what are you waiting for?" encouraged Ryan MacIvor, Global Spectrum's General Manager at the EnCana Events Centre.

Yesterday, Kissonline.com announced that California rockers, Buckcherry, will be the official opening act for KISS' North American Tour; stating that "this is destined to be the most explosive show of the year."

"Now that the date for the end of voting has been announced, as well as the opening act, the level of excitement will only continue to build, along with the added excitement of KISS making a special guest appearance on last week's finale of American Idol." said Mike Bernier, Mayor of Dawson Creek.

Voting only takes a few moments of your time. Simply visit www.eventful.com/kiss, and follow the steps to vote. Type the word "Dawson Creek " as the city name when prompted. If you have already voted, encourage your friends and family to vote for Dawson Creek, BC. This isn't just for KISS fans anymore, Buckcherry fans – jump on board!
