OEC ARENA RINK BOARD AD LAYOUT

AWAY TEAM/TIME KEEPER

HOME TEAM

Please note that if the decal is deemed to be damaged during the season, we may request (at the advertisers expense) another decal to replace that damaged decal.

The product used **must** be made of DRY TAC POLAR GRIP VINYL with overlam for protection as the OEC does not have Lexan covers for rink board advertising and this product will extend the life of the graphic.
